Point of Note: There are many insurance contracts available within the UK today – many are with companies who are based abroad trading on a passport arrangement into the UK – many offer uncertain, fragile security with onerous clauses and conditions.

On a formal basis we would point out our clients insurers are ABI approved, and members of the Financial Services Compensation Scheme. We are BIBA members, ISO9001 accredited and NEBOSH/IOSH qualified. In today's turbulent financial markets, you are in very safe hands.
